

Prairie Lakes Youth Programs recently had a PREA audit completed in our Secure and Non-Secure facilities on January 16th- 17th of 2018. Following the 90 day Corrective Action Period, we were found to be in full compliance as of April 19th, 2018.

The safety of the residents and staff at PLYP remains a top priority for us. We will continue to investigate all claims of sexual harassment and refer any investigations of sexual abuse to law enforcement. Many of the harassment reports we have investigated may not have met the definition of harassment. However, we felt it was important to investigate these allegations to make sure there were no other issues or concerns related to the reports. We are committed to a safe and secure facility for all residents and staff.
